Information regarding « cookies »

During your consultation of our website, information about your browsing may be stored in files called "cookies" installed on your device (computer, tablet, smartphone, etc.).

This section allows you to learn more about the origin and use of navigation information processed on the occasion of your visit to our website www.czon.com

1. What is a cookie:

A cookie (or cookie) is small text file containing various information that can be stored by your browser on your terminal connected to the Internet (computer, tablet, smartphone ...) during the visit of a website.

Cookies can have many purposes. Regardless the type of cookies, only the issuer of a cookie is likely to read or modify information contained therein.

2. The different types of cookies used by czon.com:

The czon.com site uses cookies. None of the cookies collected by our website collect personal information about you. Types of cookies used by czon.com site are analytical cookies or performance cookies: These cookies allow us to know the use and performance of our website and improve its functioning. They measure data about your navigation (the most visited pages, exit pages of our website or the duration of your visit).

3. More information about cookies:

Find more information on the use of cookies on the website of the CNIL: <http://www.cnil.fr/vos-droits/vostraces/les-cookies/>

4. Accept or reject the use of cookies:

Important Note: We remind you that your browser settings for cookies may change your conditions of access to our website.

You can set your browser so that cookies are stored in your device or they are rejected, either systematically or by the issuer.

You can also configure your browser so that the acceptance or rejection of cookies you are offered promptly, before a cookie is likely to be saved in your device.

Simply go to your browser Help menu to learn how to change your wishes regarding cookies.
